WELCOME...

to the SOAP Journal, a devotional program used by AK YOUTH for personal study and application of God's Word, accountability, leadership training and personal coaching. Everyone in AK YOUTH family is encouraged to participate in the SOAP Journal experience.

The SOAP Journal consists of a daily devotional schedule, space for journaling, recording prayer requests, and space for indexing things learned. The devotional materials are divided into three different reading levels allowing new believers, growing Christians, and mature believers to hear God's voice on a daily basis.

HOW TO USE THESE MATERIALS...

Establish A Daily Plan – choose a consistent time and a conducive place for study each day. Keep in mind that consistency lends itself to spiritual growth.

Choose A Reading Plan – a systematic Bible reading plan will aid you in developing the discipline of studying the Word and hearing God's voice in the process. This journal provides a plan for each day of the year. Since everyone is at a different place of spiritual maturity, these materials are formatted at three different reading levels:

- **SNACK** –5 minute daily reading plan
- **MEAL** – 10-15 minute daily reading plan
- **FEAST** – 15-20 minute daily reading plan that will take you through the entire Bible in a year, including two times through the New Testament.

Assemble Your Tools – be sure to start each session with your Bible, a basic Bible commentary, your SOAP Journal, a pen/pencil for journaling, an open heart to hear from God and your telephone set on "silent mode."

Begin Your Session with Prayer – God is a revealer of secrets desiring to unlock His Word for you so that He can talk to you on many different levels. Invite Him, through the power of His Spirit, to open your spiritual ears to hear what He wants to say to you.

Complete Your Reading Plan - pretty self explanatory ☺

Record Your S.O.A.P. - Two journaling pages are provided to get you started. Feel free to use any kind of notebook you'd like:

- **S - Scripture** –write down the verse(s) that stands out the most to you.
- **O - Observation** – write down facts and observations in the text that are most prominent. Something you notice about God, the characters involved, the situation, or just something that stands out to you.
- **A - Application** – write down how the passage or individual scripture applies to you and your life personally. Don't generalize, be specific.
- **P - Prayer** – write down a prayer that asks God for help to implement these truths in your life.

Be Consistent –faithfulness allows the SOAP Journal to become an effective part of your spiritual maturity. At the same time, ***if you miss a day, or even a few days, don't give up, and don't go back and try to catch up. Just start again with the current day's reading***. The goal isn't to "keep a plan" but to spend quality time with God and His Word as often as possible. Being disciplined to do this on a consistent basis will enable you to grow to spiritual maturity, a goal that God has for every believer.

Share – make a point to talk to someone about the truths God is speaking through His Word and the journaling process.
